Do Justice
CHURCH ENGAGEMENT TOOLKIT
What’s Inside & How to use it
Why Cambodia?
In the late 1970s Cambodia suffered a brutal genocide. Approximately 3 million people died from mass execution, warfare, starvation and disease.
Cities were emptied, hospitals and schools destroyed, and the entire population subjected to slave labour.
Today, Cambodians experience unprecedented levels of post-traumatic stress.
2.8 million Cambodian people live below the poverty line, on less than $1.25 USD per day.
Trafficking and kidnapping for the purposes of sexual exploitation is both common and accepted. Children are thought to account for 35% of those prostituted.

We believe overwhelming statistics call for overwhelming love.

What’s In this Toolkit?
1. An introduction to Cambodia, its history and how the genocide has impacted modern society.
2. Sermon outlines, scripture readings, and music suggestions for a church series on justice.
3. Bible study materials including scripture readings, discussion questions, application and prayers.
4. Posters, PowerPoint slides, and other social media and awareness resources.
5. Information on how to invite a Ratanak speaker to your church or get involved through events and prayer.

Engage your Church
God is passionate about justice. He sees every injustice and hears the cry of the oppressed. In His relentless pursuit of justice, God calls the Church to be a witness of His compassion. When we answer His call, we deepen our understanding of His love. It is our prayer that this toolkit will help transform your church community as you engage issues of justice, and inspire your congregation to stand up for the vulnerable and oppressed.

LEARN • Build awareness about the reality of injustice.
ENGAGE • Encounter a God of justice and compassion.
TRANSFORM • Be inspired by how God can use your community to make lasting change.

Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; plead the case of the widow.
